

Firefighter Recruit

Apply by **October 29, 2018** (First review, open until filled)

The Shawnee Fire Department is a dedicated workforce striving for excellence in community safety and emergency services.

The Community

Shawnee, Kansas is a thriving community in the heart of Johnson County. Shawnee offers a safe, friendly community lifestyle with easy access to two interstates (I-35 and I-435). Our community offers an array of excellent attributes including convenience, and two top-rated school districts. Safe streets and neighborhoods complement our nationally recognized parks and recreational opportunities. With a population of over 65,000, Shawnee offers the convenience and amenities of a big city, yet continues to have small town charm.

The Organization

The City has a mayor-council-manager form of government established by Charter Ordinance. The Mayor is elected at large and eight Council members are elected, two for each ward. The Mayor and Council members serve four-year overlapping terms of office.

The Department

The Shawnee Fire Department is a dedicated workforce striving for excellence in community safety and emergency services. The Department is a combination fire/emergency medical service provider with career personnel. Each member is sworn to protect the lives and property of all City residents. The Department promotes life safety by coordinating the efforts of its special teams dealing with public education, fire suppression, emergency medical services, and hazardous materials, and by developing and enforcing ordinances and fire codes. There are three stations serving the City with a fourth station in progress.

Under the leadership of Chief John Mattox and an able team of senior leaders, the Department continues to successfully navigate today's challenges and serve the community. The Department has a full time staff of 72; the approved 2018 Department budget is \$9.3 million. In 2017, the Department responded to over 5,900 calls for service with an average response time to emergency calls of 6:37. Shawnee now has specialized teams in static and swift water rescue, collapse/confined space operations, high/low angle rescue, and industrial/auto extrication.
