Volunteer Information

*Neighbors Helping Neighbors* connects volunteers, volunteer groups, and organizations with eligible Shawnee residents whose homes require maintenance and/or common repairs. If you wish to become a volunteer, please read this document and complete the waiver on the last page.

As a volunteer, we ask that you help residents of Shawnee, who meet certain eligibility requirements, to stay in their home by providing limited occasional services such as:

- Trash removal
- Yard Maintenance
- Snow removal
- Lawn mowing
- Limited plumbing and electrical repair
- Exterior painting
- Raking leaves
- Trimming branches
- Washing windows
- Changing light bulbs
- Changing smoke alarm batteries
- Turning mattresses
- Some city-issued codes violations
How It Works

- Volunteers must provide their name, email address, phone number, and sign a waiver before they can assist in this program.
- Once an application for help from a resident has been received and vetted by the Volunteer Program, a simplified version of the request will be added to the list of requests and emailed to the volunteers.
  - Requests will be emailed once a week. (Unless there are no requests).
  - If you wish to help a resident, simply “reply all” to the email with the corresponding request ID.
  - If you have questions or need more information just email back.
- When the required number of volunteers have signed up for a request they will receive additional details about the project, the applicant, and contact information for each other.
  - Some jobs only require a single volunteer (ex. Lawn mowing, snow removal)
- One volunteer will be encouraged to contact the other within two days. Then, between the volunteers, one will call the resident to determine a time for a visit or if the request is simple, to start the work.
- When you arrive at the residence, please introduce yourselves to the resident and learn as much as you can about the project. If you determine that the request is different than expected; that it cannot be completed for any reason; or if you feel the situation poses risks or dangers, you have the right to leave. When that happens please contact the Volunteer Coordinator, Elizabeth Griffith (913-742-6244), immediately and tell the resident someone will make contact soon to make other arrangements.
- If available, the homeowner’s supplies such as paint, parts, or tools will be utilized. However, volunteers may be asked to provide their own supplies such as gloves, paintbrush, shovel, basic tools, and so on.
- If you are asked to take on additional tasks (not previously identified) it is your choice whether you complete them. You should always contact the Volunteer Coordinator (913-742-6244) to update the scope of work for the applicant.
- Please make every effort to complete the task within three weeks of your initial contact with the resident. If this is not possible, please contact the Volunteer Coordinator.
- Once the task has been completed please let the Volunteer Coordinator know. A survey will be emailed to you to get your input about what went well and what did not go well.
- And finally, we hope that all volunteers will be able to complete at least two requests each year.
Weekly Emails

Every Wednesday please look for an email showing requests that need to be addressed. For most requests, two volunteers must sign up and once a match has been made, the request will be removed from the list. This is what the email with the list of requests will look like:

<table>
<thead>
<tr>
<th>The Request (ID + Description)</th>
<th>Location (cross streets)</th>
<th>First Posted On</th>
</tr>
</thead>
<tbody>
<tr>
<td>082519D: Leaky faucet in bathroom</td>
<td>Nieman at 55th St</td>
<td>08/30/19</td>
</tr>
</tbody>
</table>

Please click “reply all” and identify the request ID# for which you would like to volunteer.

Please note emails may come from ShawneeNHN@gmail.com or egriffith@cityofshawnee.org.

Once the required number of volunteers has signed up to help, you will receive further details such as the resident’s name, phone number, and exact address. Any additional details about the request may be communicated, such as homeowner has an axe or chainsaw that volunteer has permission to use.

If you are a representative of a group, there is no need for a second name on the list- as you will have additional volunteers with you. However, every person helping MUST sign a waiver prior to engaging in the project.

If you or anyone you know has a business that would like to occasionally donate their services, please have them contact the Volunteer Coordinator.
