Why did you choose the City of Shawnee for your project?			

I agree that: I have read and am aware of the requirements to obtain my Eagle status/Gold Award from the Boy Scouts of America/ Girl Scouts of the USA. I have attached a brief summary of my proposed project to this application for consideration. I understand that if my project is approved by the City of Shawnee, a written project plan must be turned in to the City of Shawnee's Volunteer Coordinator at least three (3) months prior to my target due date. If my proposed project is a sustainable project, I understand that I am responsible for sustaining it. I understand that if volunteers are required for my project, I will be responsible for recruiting, communicating, and providing all information/documents to them. I agree to track volunteer names and hours and share this information with the City's Volunteer Coordinator. Upon completion of my project I will submit a summary detailing the timeline and milestones of the project (including a minimum of three photographs). I am a resident of Shawnee, Kansas, or my Scout Troop is Shawnee based.
