A Message From **Mayor Mickey Sandifer**

Dear Shawnee residents,

The leaves are changing, the temperatures are dropping, and the days are getting shorter. Before long, many of us will be swept up by the hectic pace of the holiday season. As you create and cross off your gift lists, I ask you to consider the Mayor's Christmas Tree Fund. It's a crucial way for the community to support people in need.

Since 2006, The Mayor's Christmas Tree Fund has raised over \$300,000 for local charities. This year, we're supporting two remarkable organizations: **Shawnee Community Services** and **Summit Ranch**.

Shawnee Community Services provides free food and clothing to anyone in need, no questions asked. The group has empowered people through education and resource management since 1982. In the first six months of 2024, Shawnee Community Services distributed more than 398,000 pounds of food.

Summit Ranch is innovating youth mental health care by combining clinical therapy with a holistic approach. The group provides a safe haven, located at the former Deffenbaugh estate, where young people can reconnect with nature and heal. Summit Ranch believes mental health treatment should be as unique as the individuals seeking help.

By donating to the Mayor's Christmas Tree Fund, you are directly helping these organizations continue their invaluable work right here in Shawnee. Imagine the difference your contribution can have on our community.

Thank you for your generosity. Together, we can ensure a brighter future for all.

Sincerely,

Mayor Mickey Sandifer

ADAPTIVE RECREATION

INTENTIONALLY MAKING CONNECTIONS

Shawnee is becoming a more welcoming community, thanks to the City's Adaptive Recreation programs.

In 2022, the City Council worked with the Parks & Recreation Department to launch activities that were accessible to all. Since then, families have taken advantage of social events and skill-building activities. The programs are open to everyone, regardless of ability.

Carol Tomandl's two sons got started by participating in bingo and karaoke. *"It gives them a social life,"* says Carol, who loves watching her boys spend time with people their own age.

Kelly Pettigrew's son has shown a greater interest in cooking after taking a class at the Shawnee Civic Centre. *"It's a great thing the city has done,"* she says, *"It's taking on a role to be inclusive."* Kelly has noticed Adaptive Recreation participants become more outgoing over time.

Adaptive Recreation is led by Riki Kisner, a former special education teacher, who believes experienced instructors make a big difference. *"We pull in instructors who will be a good fit,"* she says. *"They just seem to have an extra understanding and awareness about supporting inclusion in our community."*

Many groups enjoy the field trip to the Civic Centre for Adaptive Recreation programs. They appreciate a place that's off-site. *"They're intentionally making connections. People start to recognize each other,"* Kisner says.

Adaptive Recreation programs were created to meet people where they are at. If you'd like to learn more about Adaptive Recreation visit cityofshawnee.org/parks.

Stormwater Snapshot

Flood Hazards & Floodplain Mapping

From tornadoes to snowstorms to flood hazards, the threat of weather is always around. Visit the FEMA Flood Map Service Center at msc.fema.gov/portal/home to see where the floodplain is in your area. You can request FEMA floodplain map information through our Public Works Department at 913.742.6009.

Flood Insurance

While you are making your next “to do” list, be sure to talk to your insurance agent about flood insurance. Shawnee participates in the National Flood Insurance Program, so that means you are eligible to buy federally backed flood insurance if you are in a floodplain or on top of a hill. Shawnee also has a low FEMA Community Rating System, a Class 6, which means lower flood insurance premium discounts for property owners.

Neighbors Helping Neighbors

“Neighbors Helping Neighbors” matches the needs of some with the willing hands of others. This volunteer program aims to help with common homeowner tasks that become more difficult due to physical limitations of age or disability.

- Snow removal
- Trash removal
- Yard Maintenance
- Lawn mowing
- Exterior painting
- Raking leaves
- Trimming branches
- Changing light bulbs
- Turning mattresses

BEWARE PORCH PIRATES

The holiday season brings more package deliveries—and more opportunities for porch pirates. These tips can help keep your packages safe:

- Sign up for delivery notifications so you know exactly when your package has been delivered.
- Take packages inside as soon as you can, or have a trusted neighbor pick them up from your porch.
- Have packages delivered to your work or another alternate location where someone will be present to accept them.
- If using Amazon, consider having packages delivered to a Hub Locker where your package will be secure until you retrieve it.
- As an alternative to home delivery, many retailers offer online purchases with curbside or in-store pickup.
- Consider installing a doorbell camera, which can be a deterrent to thieves.
- Report suspicious persons or activity in your neighborhood to 911. Burglars or porch pirates may be cruising around looking for packages to steal or homes to break into.

HOLIDAY SHOPPING SAFETY TIPS

Keep these safety tips in mind during this holiday shopping season. Remember that thieves are doing their shopping as well.

- Secure merchandise in the trunk or rearmost part of your vehicle, out of sight from the passenger doors and windows.
- Remain vigilant of your surroundings when walking to and from your car. Keep your head up and have your keys ready to enter your vehicle without being distracted.
- Keep purses and wallets on your person at all times.
- Avoid carrying large amounts of cash with you.
- Monitor your banking and credit card statements for any fraudulent charges.

PROPERTY CHECK

Protect your home while you're away

The holiday season is just around the corner! If you're planning to travel, make sure to sign up for the Shawnee Police Department's Property Check Program.

While you're away, officers will periodically inspect the outside of your home for any signs of suspicious activity. If they notice anything unusual, they'll take appropriate action and inform you.

To sign up, simply fill out the Property Check form at cityofshawnee.org/PropertyCheck a few days before you leave. This free service helps ensure your home stays secure while you're traveling.
